SLOW SKIING AREAS
All runs marked with a blue line and are SLOW SKIING AREAS. Fast or reckless skiing or snowboarding are not permitted at Snowbird. Check with Ski Patrol for current conditions.

NO UPHILL TRAVEL
For your safety, Snowbird does not allow unauthorized uphill travel during winter operating seasons, including hiking, skinning or biking.

Information in this trail map is subject to change without notice.

welcome

Thank you for visiting Snowbird, home to North America's most iconic Aerial Tram and the longest ski season of any resort in Utah. If you require assistance, please feel free to talk with anyone in a Snowbird uniform. We are here to help answer your questions and make sure you are having an amazing experience on the mountain. With over 2,500 acres of skiable terrain, over a dozen restaurants, four lodges, and three new major capital improvements for the 2018-19 ski season, we are more than excited to share our knowledge and passion with our guests.

free guided skiing tours Level 3, Snowbird Center
Join Snowbird's Mountain Hosts on a complimentary intermediate tour of the mountain. Offered daily, tours depart at 9:30 am and 10:30 am. Lift ticket required. Meet at the "Free Guided Ski Tours" sign.

snowbird fast facts

- Average of 500 inches annually
- The Summit 11,000 ft. The Highest Restaurant in Utah
- 3,240 vertical feet
- Longest Season In Utah
- 2,500 acres

avalanche rescue education & training center
Sharpen your skills at the Avalanche Rescue Training Center located just east of The Cliff Lodge. Sponsored by Snowbird and Wasatch Backcountry Rescue, enjoy free access to simulated post-avalanche scenarios with buried transceivers located by a probe strike. Formal training courses are available throughout the season.

+ for emergency care:
Call 801.933.2222 for assistance or report it to any mountain employee. After 5 pm, call the above number and ask for ext. 5137. The Snowbird Medical Clinic is located on Level 1 of the Snowbird Center and is open daily during the ski season from 9 am to 5 pm. The Clinic can be reached at 801.742.3232.

your responsibility code

- Skiing can be enjoyed in many ways. At ski areas, you may be joined by people using alpine, snowboard, telemark, cross country or other specialized ski equipment, such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers the responsibility for a great snowsports experience.
- Always ski in control, and be able to stop or avoid other skiers or objects.
 - People ahead of you have the right of way. It is your responsibility to avoid them.
 - You must not stop where you obstruct a trail or are not visible from above.
 - Whenever starting downhill or merging into a trail, look uphill and yield to others.
 - Always use devices to help prevent runaway equipment.
 - Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
 - Before loading, you must understand loading and unloading instructions as posted at the lift. If you have any questions or need special assistance, notify the lift operator before entering the loading area.

on the mountain – safety starts with you!

For a safe skiing or riding experience, please review mountain and weather conditions before you hit the slopes.

- The various difficulty ratings on this map are relative to the Snowbird area and cannot be compared to other ski areas. Start with green runs first. During periods of low visibility or other inclement weather and snow conditions, the degree of difficulty of the ski runs may change. Check with Ski Patrol or any Mountain Employee for current conditions. It is critical that you know, understand and obey Your Responsibility Code as listed on the other side of this trail map.
- Obey all "SLOW SKIING" signs. All blue and green runs at Snowbird are slow skiing areas. Fast or reckless skiing and snowboarding are not permitted at Snowbird. Skiing or snowboarding irresponsibly will result in loss of skiing and snowboarding privilege without compensation.
- Obey all "CLOSED-AVALANCHE DANGER" and "CLOSED AREA" signs. It is unlawful for any person to enter any area designated as closed or unsafe; violators will be prosecuted. Enter avalanche control areas through open gates only. After passing through an open gate, **HIKING ABOVE THE GLIDING TRAVERSE IS NOT PERMITTED.**
- Areas beyond the ski area boundary are not patrolled or maintained and Snowbird assumes no responsibility for the safety and welfare of skiers going beyond the boundary.
- RISK OF AVALANCHE WARNING:** Avalanche hazard reduction measures within the ski area boundaries help reduce the risk of avalanche but cannot eliminate the possibility of an avalanche occurring in avalanche prone areas and run-out zones open for skiing.

The flying of drones is not permitted at Snowbird. snowbird.com/drones

the inherent risk of skiing

No skier (any person present in a ski area for the purpose of engaging in the sport of skiing, nordic, freestyle, or other types of ski jumping, using skis, sled, tube, snowboard or any other device) shall make any claim against, or recover from any ski area operator for injury resulting from any of the inherent risks of skiing, which means those dangers or conditions which are an integral part of the sport of recreational, competitive, or professional skiing, including, but not limited to:

- Changing weather conditions, avalanches, and snow immersion;
- Snow or ice conditions, as they exist or may change including but not limited to, avalanches, hard pack, ice, powder, packed powder, wind pack, corn, crust, cut-up snow, or machine-made snow;
- Surface or subsurface conditions such as bare spots, forest growth, rocks, stumps, streambeds, cliffs, trees, tree wells, and other natural objects;
- Variations or steepness in terrain, whether natural or as a result of slope design, snow making or grooming operations, and other terrain modifications such as terrain parks, and terrain features such as jumps, rails, fun boxes, and all other constructed and natural features such as half pipes, quarter pipes, or freestyle-bump terrain;
- Impact with lift towers, snowmobiles, snow vehicles, and/or other structures and their components, such as signs, posts, fences or enclosures, hydrants, or water pipes;
- Collisions with other skiers;
- Participation in, or practicing or training for, competitions or special events;
- Failure of a skier to ski within the skier's own ability.

Sec. 78B-4-401 UTAH CODE ANN.

BE AWARE THAT SNOW-MAKING AND/OR SNOW-WORKING (where applicable) may be in progress. If you cannot accept the inherent risks of the sport, please do not ski at this area.

REMEMBER TO ALWAYS SKI SAFELY, WITHIN CONTROL.

experiences & services

mountain school

Level 3, Snowbird Center & Creekside
Snowbird's famed Mountain School provides instruction to all ages and skills levels through a highly accredited staff of instructors. Creekside provides amenities to students along with close access to Snowbird's new 500-foot covered conveyor lift which quickly delivers beginner and intermediate students to Baby Thunder chairlift.

powderbird helicopter skiing

Bypass Road, Entry 4
powderbird.com | 801.742.2800
Powderbird Helicopter Skiing is Utah's premier heli-skiing operation. Whether you're looking for an individual seat, a private group or a scenic flight, Powderbird can accommodate.

wasatch adaptive sports

Creekside Lodge
A non-profit organization providing recreational, educational and social programs to children, adults and veterans with adaptive needs. Programs emphasize independence and active living by teaching the skills of recreation through scholarship-based lessons.
