TRAIL ZONES

- Green circle: Easiest Terrain
- Blue square: Intermediate Terrain
- Black diamond: Expert Terrain
- Black diamond with cross: Expert Only
- High Alpine Adventure Terrain: Rarely groomed and is designated for expert skiers and snowboarders only. Expect unmarked obstacles.
- Extreme Terrain: Contains cliffs, very steep (50 degree or greater pitch) slopes, as well as rocks and other hazards. Skiing or snowboarding extreme terrain is for EXPERTS ONLY.
- Freestyle Terrain: Features include but are not limited to: jumps, lifts, rails, fun boxes, snowcross, quarter pipes, halfpipes, superpipes and all other constructed and natural features.

Freestyle Terrain is divided by feature size. Start small and work your way up. Designations are posted at the entrance of each park. Feature size is relative to the size and difficulty of other features at Copper Mountain.

WOODWARD START PARK TERRAIN
The snow and features in this area have been designed and constructed to provide optimal learning conditions for skiing and snowboarding.

- Small circle: SMALL FEATURES
- Medium circle: MEDIUM FEATURES
- Large circle: LARGE FEATURES

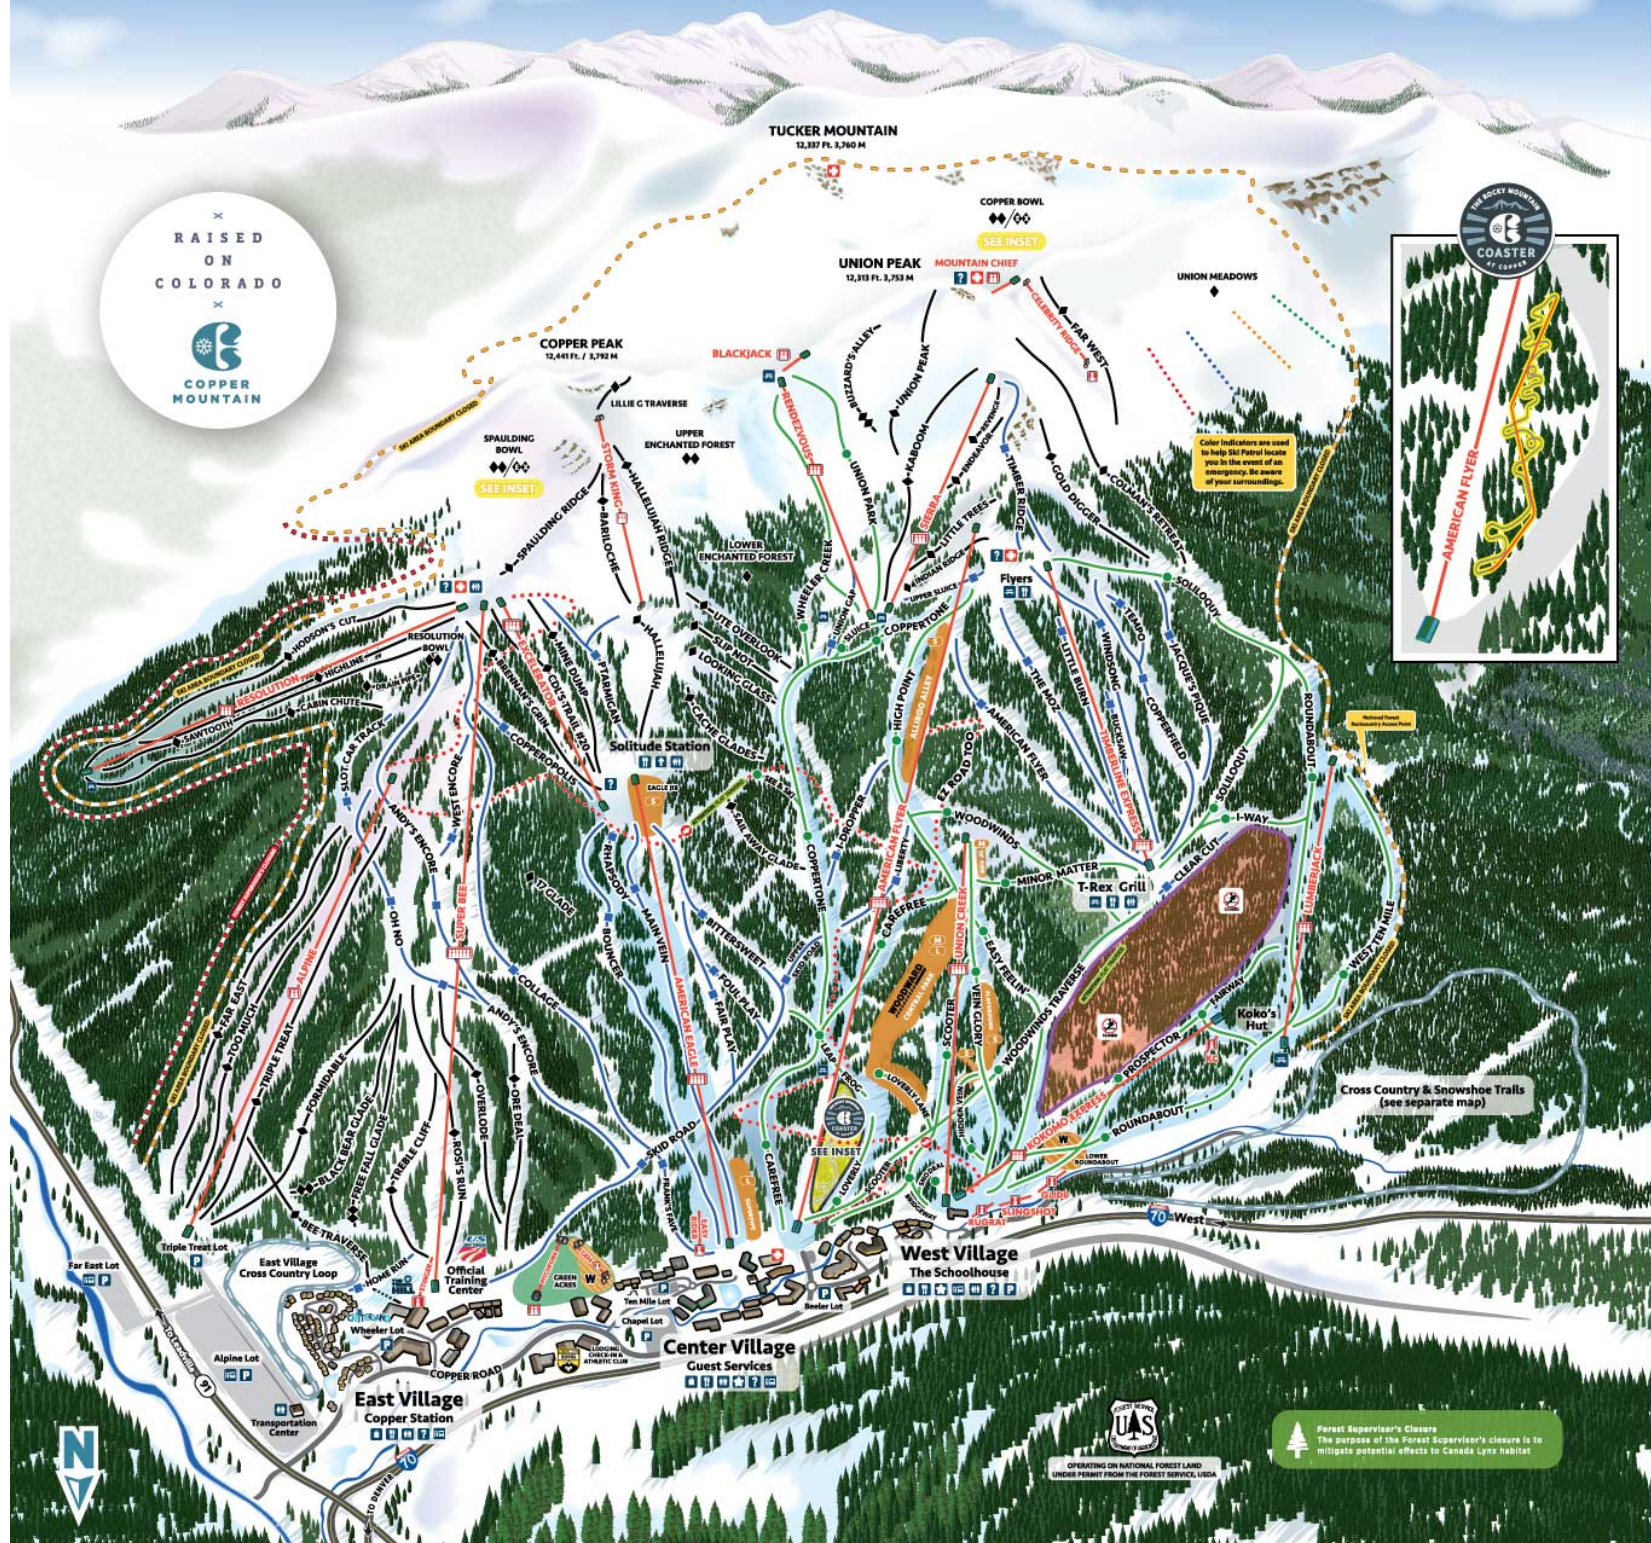

SKI PATROL

The members and avalanche dogs of Ski Patrol welcome you to Copper Mountain. Look for Ski Patrol in black jackets and red vests with white crosses. Please feel free to ask any patroller or other mountain personnel for information or assistance.

If someone is injured or in a collision: Cross a pair of skis uphill from the incident to warn oncoming traffic and send someone or call to report the location, type of injury and description of the injured person.

Call Ski Patrol or use the Copper Mountain App. Be sure to exchange information in the case of a collision including name, phone and address.

970-968-3311

Forest Supervisor's Closure
The purpose of the Forest Supervisor's closure is to mitigate potential effects to Canada Lynx habitat.

OPERATING ON NATIONAL FOREST LAND UNDER PERMIT FROM THE FOREST SERVICE, USDA
