FOR YOUR SAFETY

Regardless of how you enjoy your winter sports, always show courtesy to others and be aware that NISEKO UNITED RESORT respects all snow recreation activities. These rules require rapid changes in weather and surface conditions. Operators with other people to ski or snowboard are asked to provide such as ropes, helmets, goggles, gloves, and snowbinding equipment.
Common sense and personal awareness are required when skiing. Observe the ALPINE RESPONSIBILITY CODE and area with others' responsibility for a safe winter.

- ### ALPINE RESPONSIBILITY CODE
1. Know your ability and ski/snow only in control.
 2. Take lessons from qualified professional instructors to learn ski progress.
 3. As you proceed downhill, evaluate another person, you must avoid people below and behind you.
 4. Do not stop where you could obstruct a trail, a run or an exit unless from above.
 5. When entering a trail, a run or an exit, look back and give way to others.
 6. Always use chairlift restraining devices when provided and always use properly checked-in prevent runaway equipment. Proper equipment is in good condition.
 7. Observe and obey all signage and warnings. Keep off closed trails/runs and keep out of closed areas.
 8. Before using any lift, inform them the knowledge and ability of those who could be affected.
 9. Do not ski, snowboard, ski or snowboard or any other sports activity if your ability is impaired by fatigue or alcohol.
 10. If you are unwell, or witness an accident, alert the Ski Patrol, remain at the scene and identify yourself to them.
- UNDERSTAND YOUR RESPONSIBILITIES ON THE MOUNTAIN

NISEKO RULES(2019-2020)

[Crossing Boundary Ropes is Prohibited]
Publishing : Niseko Annupuri Avalanche Prevention Committee

1. Always use gates to go out of the resort boundaries.
 2. Do not duck boundary ropes.
 3. Wearing a helmet and an avalanche beacon is highly recommended in the out of bounds area. This rule will be maintained in the 2020-2021 season.
 4. Skiing/Snowboarding out of bounds is prohibited when gates are closed.
 5. Never enter strictly off-limits areas at any time (except for official rescue and research operations).
 6. Elementary school children are not allowed in the out of bounds area unless accompanied by an elder companion.
- *For the latest information, please check our website or the Niseko Rules displayed at each resort.

MIZUNO NO SAWA AVALANCHE CONTROL OPERATION AREA
Mizuno no sawa is a specially controlled area where various methods of avalanche control are employed in the interest of safety.
Contact: Niseko Village +81-(0)136-44-2211

To protect the safety, quality and integrity of the snowsports schools and guiding services in Niseko, please only engage services of authorized providers.

To ensure safety, those who wish to employ a back country ski guide are asked to employ a member of the Niseko Winter Guide Association. [niseko-winterguide.jp](https://www.niseko-winterguide.jp)
